Dear Councilwoman Catotti,

Thank you for taking time out of your busy schedule to meet with members of the Triangle Labor Council.

We are pleased to inform you that the Triangle Labor Council and the NC State AFL-CIO have endorsed your candidacy for Durham city council.

We will inform our members of this endorsement and work hard to turn them out on your behalf on Election Day.

It is not our policy to make a public announcement of our endorsements. However, you should feel free to share our decision with the media and in your campaign materials.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael Gravinese", with a long horizontal line extending to the right.
